Other options

- Write to your local service club (Lions, Rotary, Soroptimists, etc.)
- Register for a Bunnings Fundraiser or approach a local supermarket to run a BBQ
- Crowdfunding
- In-kind support e.g. local business providing goods/services free or at a discount
- Approach your local MP (eg. Michaela Settle, Juliana Addison)
- Have you made it easy for people to support you? E.g. **“How to support us”** page on your website with bank details

Please let me know if there are any other funders I can add to this list:
